Location & surrounding area:

Roca Llisa is a luxury-urbanisation near Ibiza town.
Ibiza is the capital of the Balearic island of Ibiza. It lies on the southern coast of the island. In Ibiza town with 42,884 inhabitants live around 38% of the permanent island residents. The city was founded in the 7th Century by the Phoenicians. They named both the town and the island after the god Bes Ebusim. From the Phoenicians there is still a large necropolis west of the Old Town (Dalt Vila), the Puig des Molins (eng. Mill Hill), which later was also used by the Romans.
