Location & surrounding area:

The villa is located in the exclusive area of Loma Dos, Arguineguin and is about 0,5 km from the nearest town and its shops away. The nearest beach is also approx. 0,5 km away and the airport of Gran Canaria is about 43 km away.

In the harbour local fishing boats and tourist ferries lie side by side, and the area has several beaches, supermarkets, all necessary services and the very popular Anfi complex. Kilometres of beachfront walkways and mountain treks invite to hikes at your pace, and the Atlantic Ocean sunsets are an unforgettable display of brilliant colours.

Arguineguín has improved its infrastructure in the last years, while retaining the traditional and old village character.

A further improvement is planned for the next years; the project Costa de Mogán should be completed, which includes the remodelling of the promenade between Arguineguín and Anfi del Mar and the construction of several beaches.
