Details:

This building is situated in an exclusive location just a few metres from the beach in the only green oasis in Talamanca. It tries to blend the boundaries between inside and outside and the lines of the project seek to merge with the environment using materials found on the island.

This fabulous apartment, in one of the most desirable areas of the island, has a large garden.

The apartment includes a parking space and a storage room in the price. If you need more than one parking space, it can be purchased separately.
