### Details:

This lovely penthouse is centrally situated in San Agustín, surrounded by the picturesque beauty of golden beaches merging with the turquoise-blue Mediterranean, with historic buildings and cobbled streets providing a very authentic atmosphere.

Located on the 7th floor, the apartment has a constructed area of 83 sqm distributed over the master bedroom with en-suite bathroom, and an adjacent guest bedroom which could be used as a dressing room if required. There is also an open living/dining area with fully-equipped fitted kitchen, and a further bathroom.

During the renovation great value was placed on the use of the highest-quality materials, including stone tiles and LED lighting in all rooms, with hot/cold air conditioning making the property ideal as a year-round domicile.

An absolute highlight is certainly the 80 sqm terrace, providing wonderful views of the glittering sea and offering the ideal place for a barbecue zone, a chill-out area, or even a whirlpool. Perfect for spending relaxing time both during the day or the evening hours with family and friends.

This exceptional penthouse combines charm, luxury and style in a timeless design, and would be perfect for young couples or families.
