Location & surrounding area:

The urbanization Cala Vinyas is situated amidst a forest of pine trees, offering as well little bays and nice quiet routes for walking. Thank to the good infrastructure and the nearness to the capital Palma (approx. 15 km) Cala Vinyas offers a rural idyll in the usually lively area of the southwest. The bay of Cala Vinyas is a good alternative for those who prefer the tranquillity of a smaller beach instead of the hustle and bustle of an ample beach. The nearby casino convinces with its great show and provides a welcome variety to the paradisiacal calmness. A good connection to the highway, the nearness to various golf courses and the two harbours of Adriano and Portals converts this position into something very interesting.
