Canyamel - living where Mallorca is at its most authentic.

Just a few steps away from the fine sandy beach, an exclusive residential complex is being built in Capdepera that redefines Mallorca's Mediterranean lifestyle. It combines modern architecture with the unspoiled nature of the northeast and offers a place created to enjoy the island's unique climate and tranquillity at the highest level.

The complex consists of 2 elegant buildings with a total of just 14 units - a guarantee of privacy and exclusivity. You can choose from stylish apartments with 2 or 3 bedrooms, spacious duplex apartments and impressive penthouses with a private solarium. From 93 to 195 square meters, some with garden. Purchase prices from € 384,000 to € 791,000.

All units are flooded with light, have open-plan layouts and harmoniously combine indoor and outdoor areas to perfectly capture the Mediterranean lifestyle.

Surrounded by protected nature and the picturesque landscape of the Canyamel stream, the residential complex not only offers an incomparable location, but also first-class amenities: well-tended gardens, a spacious communal pool with relaxation zones, hammocks and parasols as well as private parking spaces.

This is more than just a home - it is a unique opportunity for anyone looking for peace, nature and proximity to the beach in an exclusive setting. Just 150 m from the sea, this is a rare chance to invest in one of Mallorca's most sought-after locations and make the Mediterranean dream a reality.
