Details:

Discover Atanaus Suites, our latest refurbishment project, which comprises a cozy complex of just 57 apartments strategically located in one of the most sought-after areas in the south of Tenerife, Los Cristianos.

We offer you an exclusive and exceptional opportunity to acquire this spacious 1 bedroom apartment in an unbeatable location, close to all amenities and the sought-after beaches of the area. The property is located on the first floor. It has 40sqm distributed between bedroom with en-suite bathroom, and kitchen with living room and dining room. Both the bedroom and the living room have access to a large terrace of almost 12sqm.

Atanaus Suites is a concept thought out to the last detail to take advantage of the ideal location just 600 m from the promenade and beaches of the lively center of Los Cristianos and the excellent infrastructure of the building, transforming it into a residential complex with a lot of charm.

The 57 properties under renovation are distributed over one, 2 or 3 floors and consist of studios and one or 2 bedroom apartments spread over the 3 blocks of only 3 floors surrounding the heart of the complex: a fantastic swimming pool surrounded by sun terraces where you can enjoy the excellent climate of the area all year round.

In addition to the pleasant pool area, this small residential complex without elevator costs offers beautiful landscaped communal areas and a gym. Each apartment has a storage room and there is also the option to purchase a parking space in the complex's underground garage.

Whether you are looking for a permanent residence by the sea, a second vacation home or an excellent investment opportunity, you should not miss out on this excellent opportunity.

Note: Furniture is not included in the price and these images are conceptual representations which may differ from the final product.

Location & surrounding area:

Only the center of Los Cristianos reminds today that this was once a tranquil fishing village, which has developed within a very short time to the secret capital of the south of Tenerife. Not only the proximity to the airport and the harbor with numerous ferries to other islands are significant, but also the starting point for boat tours, diving tours or whale-watching and deep sea fishing.

For a beach holiday there is a 400 meters long, with Sahara sand artificially created beach, a boardwalk and an infrastructure totally designed to tourism, which also includes a non-negligible nightlife. Another possibility is the beach "Playa de las Vistas." Behind the beach there starts the promenade, from which many small streets branch off and on which there are shops, bars and res-taurants.

The older part of Los Cristianos is really the heart of the city, here you can stroll around and also buy of course. Or you can just sit comfortably in one of the many cafés and enjoy the beautiful weather.
