Details:

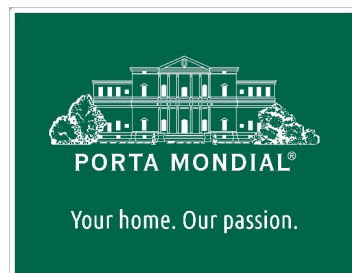

The feeling of Ibiza is everywhere in this impressive property; the location is close enough to the Ibiza life but in the most authentic countryside area of the island; between Santa Gertrudis and San Mateo. The house stands in the middle of a green garden, with palm trees, terraces and swimming pool; the perfect place to relax.

We go in through a large porch and terrace. Inside the atmosphere is rustic and traditional but comfortable with central heating in all the rooms.

The house consists in a living room, a dining room, a kitchen with emblematic bread oven, 4 bedrooms, and 5 bathrooms. A huge 150 sqm garage and the possibility to build more completes this fantastic property.
