The street where the property is located is quiet and close to all amenities, including supermarkets, cafés, restaurants, and more.

This house, set on a 250 sqm plot, has a very special charm, as it perfectly combines traditional Mallorcan character with modern comfort.

There are 3 double bedrooms, each with its own en-suite bathroom, as well as a pleasant terrace on the first floor.

Another highlight of this property is the beautiful saltwater swimming pool, surrounded by a well-maintained garden and a relaxing sunbathing area.

Additional features include ducted air conditioning with a separate unit in each room, an arothermal system, and underfloor heating. Furthermore, all new furniture is included in the sale price. The house also has a private garage for one car with an automatic door.

This is an excellent opportunity to own a cozy and well-located home with every comfort one could wish for.
