An additional living area creates further retreat possibilities.

On the first floor there are 3 elegant bedroom suites with high-quality en suite shower rooms. The upper floor is dedicated to the exclusive master suite and offers a spacious bathroom with shower and bathtub as well as a private terrace with fantastic views as far as Ses Salines.

The property, which has a full basement, opens up a wide range of possible uses. Particularly noteworthy is an approx. 80 sqm room with natural light, air conditioning and underfloor heating - ideal as a fitness area, spa, home cinema or wine cellar. This area is complemented by a spacious garage for several vehicles and a utility room.

The Mediterranean-style outdoor area with automatic irrigation has been designed with great attention to detail. Around the elegant pool, spacious terraces and relaxation areas invite you to relax and enjoy. Access is via an electric gate and guarantees maximum comfort and security.

Location & surrounding area:

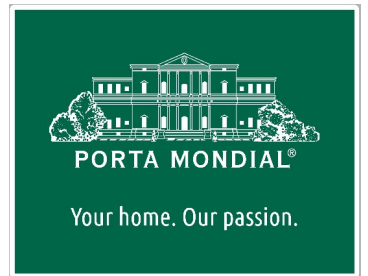

Ses Salines is one of the nicest and oldest villages at the southeast coast. The image of the village is characterised by cosy bars and restaurants, where Majorcans and tourists have their “café con leche” while enjoying the sun.

It is a typical Majorcan village that was named after its saline from the era of the Romans. Salt is reaped till this day. The “talaiots”, remains of a prehistoric settlement are also historically very interesting.

Many small bays as Cala Llobards or the dreamlike natural beach of Es Trenc is only a short drive away. You can also discover the beautiful flat landscape by bicycle.
