Details:

The manor house of this estate was built in 1717 and recently completely restored using authentic materials.

The property stands on a plot of 8,000 sqm and has a constructed area of 690 sqm. It is located in the municipality of San Lorenzo on a hill and offers fantastic panoramic countryside and sea views.

The main house and guest quarters have a living area of 550 sqm.

The main house is accessed through a typical entrance hall, and located on the ground floor is a large, modern kitchen, a utility room and pantry, a very large living and dining area which connects to the typical patio, and 2 double bedrooms with en suite bathrooms.

On the upper floor is the master bedroom with dressing room and bathroom en suite, another living area on the gallery and 2 further double bedrooms with en suite bathrooms.

An approx. 40 sqm covered terrace with lounge area completes the living space of this wonderful home.

The guest wing is a little way from the main house and has 3 double bedrooms with en suite bathrooms and a living area, providing guests with complete privacy.

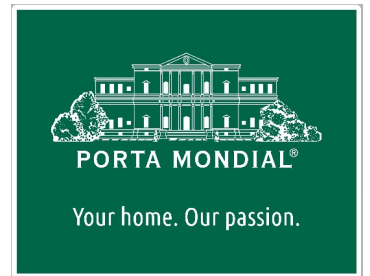

The inviting pool is surrounded by terraces, and the garage has space for at least 3 cars.

The entire property is equipped with the highest quality materials and offers nothing less than pure luxury.

This unique country house is a true historical gem and found only rarely on the island.
