Details:

Step through a gate which could be from an oriental palace and be inspired by a property that combines modern comforts with the charm of 1001 Nights.

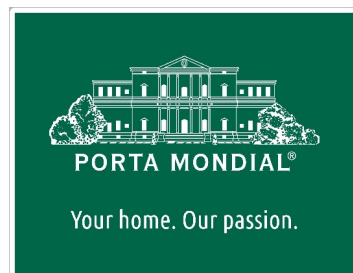

The living and sleeping rooms are grouped around an impressive interior patio. The 360 sqm living space is distributed, mainly on the ground floor, over a spacious living area, a kitchen, 5 bedrooms and 3 bathrooms.

On the second floor, which has a roof terrace, an office has been integrated and a small bamboo garden with Jacuzzi invites guests to relax both in summer and winter.

The 1000 sqm plot offers, of course, ample space for a pool.
