Details:

This magnificent, late 19th century property has 500 sqm living space distributed over 2 floors and consists of 2 completely independent houses.

The property has a rustic character and is well maintained after recent renovation but still has its original woodwork, beamed high ceilings, floors and well-preserved original steps. It provides a balanced combination of the old with the new with warm, well-distributed space

The ground floor has approx. 300 sqm with 4 bedrooms and 3 bathrooms. There is a living room and kitchen with access to a large porch with a comfortable bar for large gatherings, which is directly connected to the pool and the beautiful gardens.

The upper floor has approx. 200 sqm with 3 bedrooms, 2 bathrooms with one en suite, and a toilet.

A second building has a spacious lounge overlooking the gardens, a kitchen with pantry, a hall and a terrace with views.

The outdoor garden area contains a bathroom with shower, a large storage room, a garden, a small football field and a large parking area for several cars.

This country property is ideal for families and for those who want to be only 5 minutes from Palma but still require peace and tranquility.
