This large, spacious finca in Algaida was built in 2008 using the best quality materials. It stands on 40.000 sqm of land planted with many fruit and olive trees which are irrigated by the property's own water source.

The house has a living space of 591 sqm distributed, on the ground floor, over an imposing entrance hall, a dining room, a guest room, the living area and the kitchen. The upper floor houses 6 bedrooms with wonderful mountain views, 2 of which have bathroom en suite and 2 have separate bathrooms. In the cellar area are a garage and storage rooms.
