## Details:

This stylish Mallorcan residence is situated somewhat elevated on a large plot on the second sea line and offers magnificent panoramic views as far as the islands of Cabrera. The villa is characterized by its architectural spaciousness, an excellent construction quality and its high-quality materials.

The reception area opens on to an open staircase and spacious living area with gallery which adjoin the dining area, a semi-open, completely equipped fitted kitchen, and a winter garden.

From the large covered terrace the garden and pool area can be reached where the over 70 sqm pool with small waterfall, the pool house and numerous outside terraces invite to relax and enjoy.

On the upper floor the main bedroom with large dressing room and exclusive master bathroom is accessed via the gallery. Here there is also a guest bedroom with bathroom, another room and 2 sea-view terraces.

Housed in the cellar area is the fitness room, sauna, a shower, the party area and a number of storage rooms.

A 2-car garage and numerous outside parking spaces, reached from a second entrance in a side street, provide further ample parking space.

Further exclusive features include underfloor heating with heat pump, high-quality insulated windows, an open fireplace, SAT-TV and internet connection.

## Location & surrounding area:

Vallgornera belongs to the county of Lluçmayor and is situated between Cala Pi and S'Estanyol. This new urbanisation was constructed for everyone who wants to have calm and privacy. There only a few construction activities. The new buildings are fitted in the landscape. The steep coast of Vallgornera possess a fantastic view to the sea and orientation south so that the sun is guarenteed for all the day. In the coves there are possibilities for swimming. One of the main attraction of the region is the sand beach of Es Trenc. It is one of the longest one and the only natural sand beach on Majorca.
