## Details:

This authentic, 17th century finca has been renovated and modernised whilst paying great attention to detail, and is situated only a few minutes by car from the lively town of Felanitx and lovely beaches.

Its living space is spread over only one level and includes 2 spacious bedrooms with bathrooms en suite, a bright living/dining area and a fully-equipped kitchen. In the tower of this historic building the space was well-used to create 2 further sleeping places. In winter central heating assures pleasant temperatures, and the old walls were for the most part preserved, assisting with insulation and giving the house a distinctive charm.

An attractively laid-out vegetable garden and olive trees make it possible to enjoy freshly-picked fruit from your own garden, and thanks to a well and a rainwater cistern the irrigation of the parklike garden costs nothing. At the 4 x 8 metre pool the sun can be enjoyed the whole day.

In this beautiful natural-stone finca new and old are wonderfully combined, providing tranquillity and relaxation together with a high level of living comfort and modern ambience. A perfect domicile.

This property also provides the opportunity to achieve high investment returns owing to its holiday rental licence.
