Its living space is spread over 2 levels. On the ground floor is the main entrance, 2 bedrooms and a shower-bathroom. A door accessing the garage also leads to a laundry room, a utility room with a separate shower, and a wine bodega.

On the upper floor is the kitchen with its own water source, 2 bedrooms, 2 bathrooms, one of which is en suite, and the spacious living room with fireplace.

Location & surrounding area:

Galilea is a little village with about 200 inhabitants at the foot of the Puig de Galatzó and is part of the municipality of Puigpunyent. The houses are built mainly around the church. Many foreign residents have chosen Galilea as second residence because of the tranquillity and the fresh pure mountain air.
