### Details:

This exceptional finca, with the name of 'ES Puiol d'en Fullana', is situated on land of approx. 14.153 sqm in S'Alqueria Blanca. Standing on a hill and nestling in the Mediterranean landscape, the property delights with its magnificent views of the San Salvador monastery and the sea. The dream of a perfect, tranquil oasis with absolute privacy certainly comes true here. The finca was built in 1996 paying great attention to detail.

Impressing with its imposing appearance, it is reached via a paved driveway. On the lower level the comfortable living area with fireplace invites with a great feeling of well-being, with high ceilings and wooden beams underlining the airy atmosphere. Large terraces open on both sides offering sunny or shady places at all times of the day. Antique elements were incorporated with great sensitivity, for example the lovely arched ceiling in the dining area. A sliding door leads to the light-flooded, fully-equipped kitchen with utility room. Also on this level is a bedroom with en-suite bathroom called the 'tower-room', and a further bedroom with bathroom en suite and access to its own terrace.

Stairs lead to the upper floor with a bedroom with en-suite bathroom, and the main bedroom. The latter enchants with its generous design, a separate dressing room and bathroom en suite. Enjoy the private terrace with breathtaking views of the surrounding landscape as far as the sea. A large roof terrace rounds off the authentic Mediterranean feeling.

A Mediterranean-style garden blends in perfectly with the surrounding countryside, giving the impression of being in the 'Mallorcan Toscana'. A few steps lead down to the pool area which impresses with an infinity pool and a covered terrace.

To the left of the pool is an approx. 30 sqm sauna-house, the perfect place to relax. A path leads to a separate guest house with living area, a kitchenette and 2 bedrooms which share a bathroom. A traditional natural-stone wall in the bedrooms creates a very special atmosphere - a real romantic retreat.

The rustic architecture, combined with snug living comfort truly leaves no wishes unfulfilled.
