Details:

This elegant, south-west facing house enjoys absolute privacy despite being cleverly situated within the municipal boundaries of the village of Galilea.

Its entrance is on the main level and leads into the entrance area, a kitchen, a living area with fireplace, a spectacular veranda with access to 2 terraces with panoramic views, and the main bedroom with en-suite bathroom.

Stairs in the entry area lead to an approx. 45 sqm loft which is currently used as a double bedroom, a WC, and a further beautiful room which functions as a reading corner. There is also a lovely, private terrace with sea views.

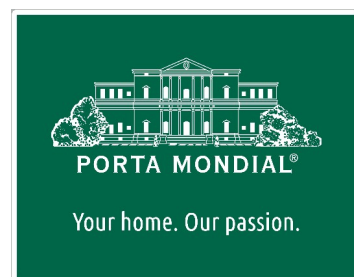

An interior staircase leads down from the main living room to the lower level with 2 bedrooms, a kitchen, and a bathroom with a charming corridor from where stone steps access the garden with an old oven and a storage room.

In the garden are diverse palm and Cypress trees, and wonderful views can also be enjoyed from here. The exterior terrace with grassed areas, palms, Cypress trees and an approx. 100 sqm area provides private parking.

Further features include sliding doors, double glazing, channeled air conditioning and wooden ceiling beams.
