Details:

This wonderful finca with natural-stone facade is rurally situated in a quiet location near Campos. Entering via an electric iron gate a path lined with gnarled trees leads to the charming finca, which was lovingly built paying great attention to detail and which offers a living space of 230 sqm.

It was constructed using only the highest-quality materials including, for example, wood-patterned tiles.

Upon entering this imposing property first comes a room with very high ceilings creating a fantastic living ambience, and causing an absolute feeling of well-being when cooking, dining and living here. Exposed wooden ceiling beams round off this homely atmosphere.

The finca has 4 bedrooms, 3 of which are on the ground floor, and 3 bathrooms, one of which is en suite. The master bedroom with en suite bathroom and walk-in wardrobe is situated on the upper level.

In the exterior area is an outside kitchen, a guest WC, a large terrace with terracotta tiles, and the stylishly-formed saltwater pool which is bordered by palm trees and offers pure beach-feeling!

Further features include underfloor heating, air conditioning, a private well with decalcification system, and mains electricity.

Although in an absolutely tranquil and private location the nearby infrastructure is accessible by car in only a few minutes!

This exceptional property also has a touristic rental licence for 9 persons.

We look forward to hearing from you!
