Details:

This real estate was built in 2007 and is situated in an absolutely beautiful location with amazing panoramic views at the surrounding Tramuntana Mountains.

An impressive driveway leads to the house with a constructed area of approx. 600 sqm which is spread over 3 floors. On the ground floor you will find the bright living room with fireplace, a spacious dining room, a fully equipped modern kitchen with adjoining utility room, one bedroom with en suite bathroom and dressing room as well as a guest toilet. The first floor is divided over 4 spacious bedrooms and 2 fully equipped bathrooms. The basement provides a gym, sauna - and spa area, as well as a separate guest apartment, which is also part of this really outstanding country house.

The open and covered terraces that are surrounding the house and the Mediterranean garden with pool complete the overall picture of this outstanding country house.

Further features include under floor heating, air conditioning hot/cold, doubled glazed windows, natural stone floors, automatic irrigation system, an own well, connection to the public electricity network, telephone connection and a garage for 3 cars.
