Details:

Fantastic villa located in a privileged area of Cala Gat.

This house stands out for its privileged location and orientation since it is the last house in Cala Gat. From the south face (facade) it can be said that it is a second line although due to its elevated position it is as if it were a first line since it enjoys an exceptional view of the sea. And from the east side the house is located on the first line also enjoying excellent views of the sea.

The house was built in 1968 and has 391 sqm of built area on a plot of 1,330 sqm. The house is distributed on 2 floors. On the main floor there is a large living room with dining room and direct access to the main terrace through large windows from which you can enjoy the sea views. Next we find one double bedroom with en suite bathroom, one single bedroom, separate kitchen and a guest bathroom. On the ground floor there are 3 double bedrooms, one shared bathroom and a garage.

In general this house is in need of refurbishment and currently there is no swimming pool but it seems that there would be no problem in installing one.
