Details:

This very well-maintained, detached property is quietly situated close to the centre of Alaro with sweeping views over the centre of the island.

Standing on a hillside the chalet, with its natural stone façade, has an open living/dining area with access to a spacious covered terrace, a fully-equipped adjacent kitchen with a pantry and a small utility room, also with direct access to the exterior.

The master bedroom has an en-suite bathroom and the further 3 bedrooms share a bathroom, and all bedrooms have fitted wardrobes. In all rooms there are double glazed windows and doors made of teak, and pre-installation for central heating is fitted in all rooms. The house is currently heated by means of an attractive fireplace in the living room.

From the living room there is direct access to 2 covered parking spaces, the cellar and technical rooms, and to a further bathroom.

A beautifully-landscaped ornamental garden surrounds the house and also offers the possibility for a small vegetable garden to the rear, with a 23 sqm saltwater pool completing the description of this wonderful villa!

Location & surrounding area:

Situated at the foot of the Tramuntana mountains is the wonderful and very popular village of Alaro, authentic Mallorcan and with diverse restaurants, bodegas and shopping possibilities open throughout the year.

Its weekly market takes place every week on Saturdays and presents a real shopping experience with all typical Mallorcan specialities. During the last few years the village has become more popular with a mixed population including the northern countries as far as Spain, bringing a new charm to the village. From here both cyclists and hikers can comfortably start their excursions to the twin mountains, with Palma itself within easy reach.
