Details:

This very well-maintained terraced house is situated in Son Dureta, a desirable residential area close to schools and diverse clinics. It is surrounded by an excellent infrastructure including shops, supermarkets, sports centres, cafes and restaurants, and is only a short distance from the centre of Palma which can be reached in a few minutes by bicycle, bus or car.

Its living space of 180 sqm is spread over 3 levels. The entrance area on the ground floor leads directly into an open living room with spaciouly-designed kitchen. On the upper level are 4 bedrooms and 2 bathrooms, one of which is en suite, but it would also be possible to connect rooms if required, for example to make the 2nd bathroom also en-suite.

The lowest level is accessible by a staircase in the house or from the garage and has the same area as the other 2 floors. It consists of the large garage, a storage room, and a glazed winter-garden leading into the garden with views of and direct access to the pool. To the rear of this level is the laundry area with connections for a washing machine and other appliances, offering the possibility to fit a further kitchen.

Throughout the house are lovely marble floors, and further features include gas central heating, a water decalcifier, and a fireplace in the living room providing a pleasant and very cosy living ambience.
