Details:

This enchanting villa is situated close to Selva in the small village of Binimar, and is just as idyllic as the sleepy, typically-Mallorcan hamlet. The area is a popular starting place for cyclists, hikers and those desiring a quiet holiday setting.

Orientated to the south, the villa has a capacity for up to 9 guests with a valid touristic rental licence. Upon entering a wonderful garden presents itself, with covered and open parking space for up to 6 cars, plus a garage with ample space to store bicycles or a further car.

In the front garden numerous lemon trees open on to views of the villa and the heated pool with a bbq zone with beer-bar offering abundant space for guests.

The entrance area leads in to the living/dining room with adjacent modern kitchen, a bedroom and a bathroom, and adjoining is the most beautiful room of the house - the wintergarden with terrace. This room has been equipped as a billiard room and provides an alternative to the pool and sunbathing areas.

The kitchen has access to a covered bbq area and chill-out zone, and the rear part of the garden is orientated to the Tramuntana. Due to the sweeping views and absolute tranquillity this area provides a fantastic retreat.

On the first floor there are 3 further bedrooms, one of which has an en-suite bathroom with the other 2 sharing a bathroom. All 3 bedrooms have access to spacious terraces with wonderful views.

The highlight, however, is the tower-room which provides all-round panoramic views.

Further features of this exceptional property include double-glazing, hot/cold air conditioning in all rooms, a garage, heated pool, TV in all rooms, a beer-bar with tapping-licence, children's playing area, a touristic rental licence, and a valid cedula (certificate of habitability).
