### Details:

This attractively-built villa is situated on the very 1st sea line and offers fantastic, 180 degree panoramic views over the blue sea as far as Cabrera.

Here the Mediterranean lifestyle can be enjoyed to the full accompanied by wonderful views of passing sailing yachts. Steps in the cliffs provide direct access to the sea, perfect for cooling off during hot weather.

The impressively-located villa is clad with natural stone and is made up of a light-flooded main building and 2 separate apartments. Each has an open living/dining area with kitchen and terrace areas. The main house has 3 bright double bedrooms and 3 bathrooms. The flat plot of land is low-maintenance and impresses with its wonderful pool with sun terrace from where there are spectacular panoramic views of the coastal landscape.

Truly a dream property in a prime location, a combination which is very seldom to be found.
