Details:

This very well-maintained and spaciouly-designed finca is only 4 km away from the lovely village of Santanyi, with the most beautiful sandy beaches on the island nearby.

Built in 2014, the house has a living space of approx. 330 sqm and stands on a Mediterranean-style plot of 14.700 sqm.

The house is entered via an imposing entrance area with high ceilings, which accesses the upper floor with 3 bedrooms, each with en-suite bathroom. Located on the ground level is a further bedroom and bathroom, and the open living/dining area with high-quality kitchen.

An absolute eye-catcher is provided by a large wooden door leading to the newest part of the finca. In 2022 a luxurious spa zone was built here and includes a heated indoor pool and a steam-sauna assuring pleasant relaxation and atmosphere during the colder months of the year. Also in this extension is a further bedroom with bathroom en suite, and a room which would be ideal, for example, for use as a fitness room.

The exterior area and gardens are low-maintenance, and contain a 54 sqm pool, diverse terraces and south-facing relaxation areas.

This exceptional property is very centrally situated, not far from the most beautiful beaches and only 4 km. from the village of Santanyi. Thanks to the underfloor heating, the heated pool, and the surrounding infrastructure, the house would be perfect for year-round occupation.

Do not delay, contact us today to arrange a personal viewing appointment and be convinced by this unique offer.

Location & surrounding area:

Santanyi in the southeast of Mallorca is among the most popular villages of the island and has resisted over centuries Romans, Arabs and pirates. The beautiful small city with its golden façade of sandstone is elevated from the green surrounding and attracts tourists as well as residents on Wednesdays and Saturdays to the colourful weekly market. Around the Plaza Mayor, there are various cafés and restaurants offering a broad culinary selection. The surrounding narrow streets with beautiful shops invite you to stroll.

The natural preserve of Mondragó is nearby offering numerous routes for hikers, whereas the idyllic bays at the east coast, as Cala Santanyi or Cala Llombarts are perfect for bathing. The harbour of Portocolom and the golf course of Vall d'Or are at a short distance.
