Details:

This recently restored finca has been renovated by the owner to the highest standards to create a very pleasant and comfortable family home.

This beautiful, charming stone finca features a lovely front terrace and a new swimming pool. The finca is situated in open, untouched countryside, making it particularly suitable for hikers to enjoy the benefits of nature.

In the outdoor area, there is a very nice open patio illuminated with interesting antiques. The beautifully landscaped garden area offers a new pool with Roman steps, spacious terraces with sun loungers, a barbecue, and a sauna.

The finca has 4 bedrooms: 2 bedrooms with double beds, 2 bedrooms with 2 single beds, 3 bathrooms (one en-suite with a shower, one with a bathtub, one with a whirlpool and shower), a large living/dining room, a fully equipped kitchen with a dishwasher, fridge/freezer, electric oven/gas stove, cabinets, toaster, coffee maker, etc., a utility room with a washing machine.

The house is located between the picturesque villages of Santanyi and Cas Concos in a tranquil area of Mallorca with secluded private fincas and magnificent villas scattered across the countryside or perched on one of the many small hills between the picturesque villages of Cas Concos and Alqueria Blanca. This coastal stretch offers many small and charming sandy beaches, including Cala Mondrago and one of the best beaches in Mallorca - Es Trenc, Cala Santanyi, Cala Llombards, S'Amonia... all within a 10-15 minute drive. The nearest golf course, Vall d'Or, is just a 10-minute drive away.

This finca is the ideal place to spend the winter season.

Available from November 1st to March 31st.
