Details:

This unique country house, standing on a plot of 25.000 sqm, nestles in an enchanting garden with a mature tree population in a privileged location in the hills near to Colonia de Sant Jordi.

In front of the house is a spacious garage with space for several vehicles, and with a laundry room and bathroom. The large saltwater pool, heated by solar thermal energy, is at the centre of a generously-sized terrace offering picturesque views and there is also a fascinating, 2-level artist's studio built into the rocky ground. The plot of land is situated on a hill with an old pine forest, encircled by Mallorcan dry stone walls and has 2 access roads, one of which is secured by a fully automatic entrance gate.

Constructed using only the highest-quality materials whilst paying great attention to detail, the house has 2 levels. On the ground floor is the spacious living/dining room with inviting fireplace and access to the outdoor terraces, and a large, modern kitchen fully equipped with high-quality appliances. An outbuilding, connected by a unique rotunda, also has 2 floors with a further living room with fireplace. In total the property offers 5 double bedrooms and 5 bathrooms, 2 of which are en-suite making it ideal for use as a 2-generation object.

In the garden there is a barbecue zone and numerous shady places, and further features include air conditioning, oil-fired central heating in all rooms, and a water softener.
