Details:

This finca in Sa Pobla, built in 2021, is a single-level property standing on a large plot of 22,000 sqm. It is situated in a cul-de-sac, and the nearest neighbours are sufficiently far away to assure great privacy and a relaxed atmosphere. Sa Pobla is only 5 minutes away by car, and the Playa de Muro beach can be reached within 15 minutes.

The total constructed area of 540 sqm is comprised of the main house, a casita with outdoor kitchen, WC and technology area, spacious terraces, a 45 sqm pool and other listed agricultural buildings which would be ideal for conversion. The main house, which has a complete cellar, has a living space of approx. 200 sqm which includes 4 double bedrooms with fitted wardrobes and 3 bathrooms, one of which is en suite, and all of which are equipped with walk-in showers.

The bright living/dining area with open kitchen has access to a covered terrace facing the pool and BBQ house. Further features include double-glazed windows, radiators supported by an air/heat pump, and automatic shutters. In the main house are also a laundry room and a large garage.

The outdoor area impresses with a long driveway, green-planted areas of approx. 1400 sqm, a small orchard, and wonderful views of the Tramuntana mountain range and the surrounding villages of Bugar and Sa Pobla. The entire plot is completely fenced. Water is supplied by a registered well and stored in cisterns, and there is a mains power connection supplemented by solar panels. This lovely finca property is completely legal and has a valid cedula (certificate of habitability) and a construction permit.
