The main level has an open, light-flooded living/dining area with fireplace, which offers an idyllic view of the private garden with pool and the mountains. A spacious, fully equipped kitchen, the master bedroom with dressing room and luxurious en suite bathroom, a utility room and a guest WC complete this level.

The upper level presents 4 further bedrooms, each with en suite bathroom, balcony and breathtaking mountain panorama. The outdoor area impresses with a lovingly landscaped garden, a spacious saltwater pool and several partially covered terraces.

Further features include: Air conditioning (hot/cold), underfloor heating, double-glazed windows, cable/satellite TV, a storage room, high ceilings with wooden beams, high-quality stone and floorboards, an alarm system with camera.

Location & surrounding area:

Es Capdella is a small village with 1000 inhabitants which belongs to the municipality of Calvia. It is situated at the foot of the Tramuntana mountains, 115 metres above sea level with views as far as the Puig de Galatzo (1027 metres high). It was founded in the 17th. Century and has retained the charm of times gone by.

Due to its special location Es Capdella has remained an insider tip where individualists, principally Germans and English, have recognised what the village and the surrounding area have to offer and have settled here. The bars Nou and Es Moli should also be mentioned, two central venues in the village offering Mallorcan cuisine and very popular with tourists. Scenically particularly lovely are mountain routes from Capdella to Puigpunyent via Galilea, and to Andratx and Peguera.

Es Capdella is situated only 6 – 8 km. From the coast, where long sandy beaches and beautiful bays invite to bathe. A large choice of activities are available together with a very good infrastructure. Palma can be reached within approx. 15 minutes, and the airport is only 20 – 25 minutes away.
