Details:

Step into this charming townhouse in Alaró, boasting an excellent location, a spacious garden, and stunning views of the surrounding mountains. A building permit has already been granted for the construction of a swimming pool – perfect for enjoying the Mediterranean lifestyle to the fullest.

In addition to a parking space for two cars, the property features a spacious garage that not only provides room for additional vehicles but can also be converted into a separate living unit – ideal as an office, studio, or multifunctional space – and even extended by two additional floors if desired.

The ground floor offers a bedroom, a shower room, and a modern open-plan kitchen with an adjacent dining area. A large glass front allows natural light to flood the space and leads directly to the partially covered terrace, where a lemon tree provides welcome shade. The adjoining garden with Mediterranean plants invites you to relax. The garage also offers additional storage space and a practical utility area.

On the first floor, you'll find a cosy living room with access to a terrace, another bedroom, and a bathroom with a bathtub. The second floor hosts the main bedroom with a walk-in wardrobe, an additional bedroom, and a shower room. All bedrooms come with generous built-in wardrobes.

The house is equipped with a modern gas central heating system, has pre-installation for air conditioning, was recently modernised, and is in excellent condition. This property combines comfort, functionality, and tasteful details, offering you an appealing home in one of Alaró's most sought-after locations – just a short walk from the charming village square with its cafés and restaurants.
