## Location & surrounding area:

Sant Llorenç des Cardassar is a charming village in the east of Mallorca and is one of the island's smaller municipalities. It is located between the towns of Manacor and Arta and has an area of 90 square kms, a large part of which is taken up by the protected area of the 'Parc Llevant'.

This lovely village provides an authentic Mallorcan experience which is hardly affected by mass tourism, with original cobbled streets and traditional architecture in the village centre bestowing an inviting charm.

The surrounding countryside is characterised by gentle hills, orchards and fields, and is pampered by the Mediterranean sun. Nature lovers and hikers will fully appreciate the tranquility and beauty of this lovely area.

Within easy reach of Sant Llorenç des Cardassar are some of Mallorca's most beautiful beaches, including Cala Millor and Sa Coma, which are the perfect places for swimming and relaxing in the sun.

Sant Llorenç des Cardassar is certainly an insider tip for those wishing to experience Mallorca's unique culture and natural beauty in tranquil surroundings. Here the authentic Mallorca can be discovered, whilst enjoying the close proximity to protected natural countryside and landscape.
