For those seeking a charming retreat in Mallorca, then this rustic town-house on the outskirts of the small village of Es Llombards offers the perfect opportunity. With its traditional construction, dating from the 1950's, the house exudes real Mallorcan charm together with a great feeling of comfort and security.

Distributed over the ground floor are 3 bedrooms offering ample space for family and guests. A bathroom provides functional convenience, with the simple kitchen offering adequate room for preparing delicious Mallorcan specialities.

The upper level houses 2 large rooms which offer many possibilities for use, for example as offices, hobby rooms, or additional living rooms.

The traditional construction of the house is reflected in its wooden ceiling beams, tiled floors, and other rustic details which create a warm, inviting atmosphere. Each room has its own personality and invites to set personal accents. The house embodies not only the traditional architecture of the region, but also presents itself as a compact idyll surrounded by a lush, established garden-landscape.

A real highlight is presented by the 1.000 sqm plot of land, with the established garden offering the perfect retreat for lovers of nature. Whether for relaxing hours outdoors, convivial barbecue evenings with friends and family, or simply to enjoy the Mallorcan sunshine - this lovely garden fulfills all wishes. Its low-maintenance design makes it possible to experience the beauty of the surrounding nature with minimal effort and expense.
