Details:

Charming fully furnished and refurbished townhouse located in the heart of Pollençà, just five minutes' walk from the main square and its famous local market. The house will be available again from April 2026.

The property offers an approximate built area of 140 sqm distributed over 2 floors. The ground floor features a cozy living room, a bright dining area at the entrance, a recently renovated and fully equipped kitchen with dining area, and a complete bathroom. Additionally, this floor provides access to two pleasant terraces: one open-air to enjoy the outdoors, and another covered one, ideal for cooler afternoons, equipped with a hot water boiler. It's worth mentioning that an extra bedroom on this floor will remain closed for the private storage of the owners.

Upstairs, a spacious hallway connects the interior spaces. Here you'll find 3 double bedrooms with excellent natural light, one full bathroom, and a practical laundry room. This floor also offers direct access to a lovely outdoor terrace with a sunlounger – perfect for sunbathing and relaxing in total privacy.

The house is equipped with a reversible air conditioning system (hot/cold) and an efficient stove, ensuring year-round comfort. Originally built in 1930, it was carefully renovated about three years ago with modern, functional materials and finishes.

Located on a plot with an approximate graphic area of 90 sqm, this property perfectly combines traditional style with modern comforts, offering a warm and ready-to-move-in home.

Pollensa

Location & surrounding area:

Pollensa, known by insiders as the "second capital" of the island, emanates a very special, even princely charisma. At the northern foothills of the Tramuntana mountain range, this romantic town offers a mountain panorama around the mountain Puig de Maria, which is the hallmark of this region. A rich, especially musical cultural activity offering and unique top real estate records, such as along the Calvario (Calvary) in the centre, or the peaceful classy residential district of La Font on the mountainside, and a stunningly beautiful rural setting on the adjacent valleys Vall d' en March, Vall D' Colonya and Vall D' Aixartell give this spot an incomparable charm. There is many a gem on offer which, along with a modern infrastructure is ideal for the perfect vacation property. Also for lovers of the traditional Majorcan town house, Pollensa is just the place - there are lots of properties to discover which have either already been completely renovated, or still have enough space for extra development.
