Details:

This charming village house is situated on a plot of approx. 262 sqm in a quiet side street of the picturesque village of Es Llombards - just a few minutes from Santanyí and some of Mallorca's most beautiful beaches.

A patio with magnificent bougainvillea creates a Mediterranean feel-good atmosphere and invites you to linger outdoors. The private pool offers pleasant refreshment on hot summer days.

The main house, which is over 100 years old, has been lovingly renovated and combines traditional charm with modern functionality. On the first floor there is a fully equipped fitted kitchen, a bedroom and a bathroom. An open staircase leads to the upper floor, where there is a small gallery with 2 potential bedrooms. There is extensive potential for expansion here, for example for additional bedrooms or a separate study.

An extension added later accommodates a spacious living and dining room with access to the garden area.

A practical summer kitchen and a separate guest WC are also available here - ideal for sociable evenings outdoors.

Features include air conditioning (hot/cold) and a cozy wood-burning stove, which will keep you comfortable even on cooler days.

An ideal home for anyone who wants to combine authentic island living with comfort and development opportunities.
