Details:

This beautiful property in mint condition is located in a quiet area of Cala Murada.

When you enter this villa, you feel captivated by the open and bright living concept. Large floor-to-ceiling windows allow plenty of light into the house and you immediately feel at home. To the left is the open kitchen with an adjoining utility room. To the right is a bedroom, a bathroom and access to the spacious cellar. A large rainwater cistern is installed here, which ensures the central irrigation of the garden and the cellar also offers plenty of additional storage space. The open-plan living and dining area round off the first floor. From here you can also access the well-tended garden with its large private pool. A covered terrace is part of the outdoor area, providing a shady spot on sunny days.

On the upper floor, which is reached via a staircase, there are 2 further bedrooms, each with an en suite bathroom. The master bedroom also has access to a sunny balcony that leaves nothing to be desired. As this property is being sold furnished, you can move straight in with your suitcases.

Further advantages of this villa are:

- Central air conditioning hot/cold
- Underfloor heating in the bathrooms
- Electric gate and parking space on the plot
- Central garden irrigation system

We look forward to receiving your inquiries. A viewing appointment is usually possible at very short notice.
