Details:

In one of the most sought-after and quietest locations in Portocolom, one of Mallorca's most charming coastal towns, this stylish, completely renovated townhouse awaits you with fantastic views of the sea, the old town and the adjacent green areas. The listed façade preserves the traditional character of the house, while the interior impresses with timeless elegance, high-quality furnishings and state-of-the-art technology. The historic old town with its picturesque alleyways and excellent restaurants is just a few steps away, as is the nearest beach.

The well thought-out room concept, combined with fine materials, soft colors and indirect lighting, creates a harmonious, exclusive living ambience.

The spacious master suite with en suite bathroom and dressing room is located on the first floor. A further room, which can be used flexibly as an office, fitness area or additional bedroom, and a further bathroom complete this level. Both rooms open onto a traditional patio with privacy, which also has a pre-installation for a small pool.

The main entrance and a further bedroom with en suite bathroom are located on the upper floor. The light-flooded living and dining area with fireplace and open kitchen opens up just a few steps further on. From the adjoining balcony you can enjoy a fantastic view of the sea and the idyllic harbor.

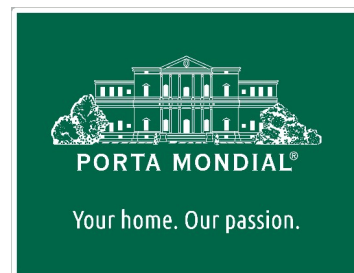

One floor up, there is another bedroom with en suite bathroom and a practical utility room. The absolute highlight is the spacious roof terrace with pre-installation for a jacuzzi and BBQ area. It boasts breathtaking panoramic views over the sea, the old town and the surrounding countryside. The heart of this special house.

State-of-the-art home technology, including a smart home system, underfloor heating and air conditioning, round off this exceptional offer.
