Details:

This charming finca with Mediterranean flair is centrally located, just a few minutes from the beautiful natural beach of Es Trenc. A retreat full of peace, privacy and Mediterranean joie de vivre awaits you here.

A picturesque driveway, lined with palm trees, leads you directly to the finca, which impresses from the outside with its traditional natural stone façade. On the first floor, you are greeted by an inviting entrance area, which leads into the spacious, open-plan living and dining area with fireplace. Exposed wooden beams lend the room authentic charm and underline the Mediterranean ambience.

Like the living area, the separate, fully equipped kitchen offers direct access to the covered terrace. From here, you can enjoy a wonderful view of the lovingly planted garden, which invites you to spend relaxing hours outdoors. There are also 2 bedrooms, a bathroom and a utility room with guest WC on this level.

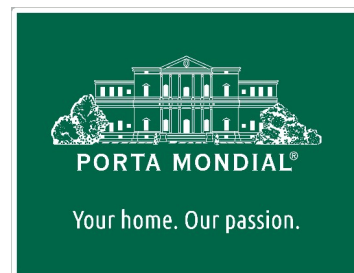

On the upper floor there are 3 further bedrooms and 2 bathrooms, one of which is en suite. The spacious master bedroom boasts its own bathroom, a cozy chill-out area and a private terrace with beautiful views.

The outdoor area presents itself as a true oasis of well-being: lush Mediterranean plants, palm trees and a small olive plantation for your own olive oil create a paradisiacal ambience. Several terraces, an inviting pool and a barbecue area offer ideal places to relax and socialize.

This finca is the perfect place for anyone who wants to experience authentic Mallorca and enjoy the Mediterranean lifestyle at its best.
