In Cas Català, one of Mallorca's most sought-after addresses, this villa rises as a retreat for those seeking luxury, privacy, and the Mediterranean lifestyle at its finest. Spread over two floors, it offers around 293 square meters of living space with five bedrooms and three fully equipped bathrooms; spacious, bright, and perfect for families or guests. In total, the property comprises a constructed area of 477 square meters, including living areas as well as terraces, pool, and additional ancillary spaces.

The character of the villa is defined by special features: a private cinema room for unforgettable evenings, a personal gym for health and wellbeing, and a landscaped garden with pool set on a 2,603-square-meter plot that guarantees privacy, sea views, and a Mediterranean atmosphere. From the upper floors, sea views highlight the unique charm of the location, extending across the surroundings and towards the bay.

Location & surrounding area:

Cas Català is the nucleus of the municipality of Calvià , which marks the border with Palma. Its name dates back to the end of the XIX century, when a Catalan established his home there. It is a residential housing with chalets and flats spread on the hillside of woodland. It has two accesses to the sea and a little beach surrounded by terraces. Aside of the beach the five star hotel “Maricel” offers to all guests in its restaurant and the recent opened Spa a wonderful sojourn.
