Location & surrounding area:

Binissalem received its name in the Moorish time, before King Jaume I conquered Majorca in 1229. It is situated picturesquely in front of the Tramuntana mountains and has approx. 5000 inhabitants. As in many other Majorcan villages you can see the church already from far. It is famous for its large wine-growing areas and a lovely red wine is exported to whole Europe. In autumn popular grape harvest festivals get celebrated.
