An exceptional historic luxury finca nestled in the mountains of the Serra de Tramuntana, offering complete privacy, breathtaking panoramic sea views, a heated infinity pool and a private sauna overlooking the Mediterranean.

Originally dating back to 1750, this fully renovated property extends over two floors and, thanks to its layout, can also be used as two independent living units. It features 5 bedrooms, 5 bathrooms, two spacious living areas, each with a fireplace, as well as two fully equipped kitchens.

The approximately 5,043 m² plot offers numerous opportunities to enjoy nature and relax, with a fruit orchard, olive trees and a barbecue area complete with a pizza oven and billiard table.

The property is located just around 30 minutes from Palma and 20 minutes from Santa Ponsa. The surrounding villages, such as Puigpunyent and Es Capdellà, offer a wide selection of excellent restaurants – ideal for those looking to combine relaxation, comfort and convenience.

Particular highlights include the heated saltwater infinity pool with spectacular sea views stretching towards Santa Ponsa, as well as a sauna offering impressive panoramic views of the surrounding landscape.
