Details:

This exclusive new-build finca, due for completion in 2024, is located in the southeast of Mallorca, close to the popular coastal town of Portocolom and Cala Marçal. The location combines peaceful country living with a very good infrastructure: beaches, restaurants, cafés, shopping facilities and the marina of Portocolom can be reached in just a few minutes. Thanks to the good connections, the finca is easily accessible by car and at the same time offers plenty of privacy and nature.

The modern architecture combines timeless design with high-quality furnishings and creates a living ambience of the highest standard. As soon as you enter, the spacious entrance area impresses with its extraordinary ceiling height and an open, elegant feeling of space. The light-flooded living and dining area with fireplace flows seamlessly into the high-quality kitchen with Gaggenau appliances. On this level, there is also a spacious bedroom with en-suite bathroom and fitted wardrobes, as well as another room that can be used flexibly, ideal as a guest room or home office. A separate bathroom completes the first floor.

On the upper floor, there is an open gallery with sea views, which is designed as an additional living area with a gas fireplace. This level is complemented by two further bedrooms, a bathroom and a spacious master suite with a free-standing bathtub, dressing area and private terrace.

The lovingly landscaped outdoor area in Mediterranean style has a large pool, a separate pool house with potential use as a fitness room and a prepared boules court. The extensive plot offers plenty of peace, privacy and space to develop.

The high-quality features include underfloor heating, air conditioning and an alarm system.

A modern retreat in an idyllic location - ready to move into and ideal as a main or vacation home.
