This exceptional estate is located at one of the highest points in the southeast of Mallorca, nestled within an idyllic natural landscape. From this privileged position, breathtaking panoramic views unfold over the villages of the east coast and across the Mediterranean Sea as far as the island of Cabrera.

The property combines superior construction quality, cutting-edge modern design, and subtle elements of traditional finca style, creating a harmonious and elegant living environment. Thanks to the bespoke floor plan and floor-to-ceiling windows, the spectacular views can be enjoyed from almost every room.

The expansive living area features a light-filled dining space, an open-plan Bulthaup designer kitchen, and a cozy fireplace lounge, offering both comfort and sophistication. In total, the property offers five bedrooms. The generous master suite impresses with a private dressing room, a separate TV lounge, and a luxurious bathroom with bathtub. Three additional bedrooms with two bathrooms are located in the west wing. The fifth bedroom, situated on the upper floor, features an en-suite bathroom and a separate entrance—ideal for guests.

All rooms provide direct access to the main terrace, from which beautifully landscaped garden paths lead to the impressive 15 x 4 meter infinity pool, seamlessly blending into the surrounding scenery.

Further highlights include a wellness area with sauna, an artist's studio, a bespoke wine cabinet, central air conditioning, and underfloor heating throughout. A three-car underground garage, along with numerous technical and design refinements, completes this extraordinary property.
