Details:

Set in the countryside of Algaida, this spacious rustic finca estate enjoys a highly private setting on approximately 19,000 m² of land, while being just 20 minutes from Palma and around 9 minutes from the nearby town.

Built in 2007, the estate offers generous living spaces and a versatile layout across the main house, an independent guest house and a separate casita.

The main house is distributed over two floors plus a cellar. The ground floor comprises a bright and spacious living room with fireplace and access to a large covered terrace, a generous kitchen with adjoining laundry room, two double bedrooms and a spacious bathroom. The upper floor offers two further double bedrooms, each with its own sun terrace, with one also benefiting from a walk-in wardrobe. A Jack-and-Jill bathroom with bathtub and separate shower completes this level. The cellar provides a private gym, home cinema and office.

The independent guest house offers a bright double bedroom with en-suite bathroom and has been designed to be wheelchair friendly. Next to it, with its own separate entrance, a further casita provides an additional bedroom and bathroom.

The extensive south-facing pool terrace is centred around the generous 48 m² swimming pool and provides plenty of space for outdoor dining, relaxing and entertaining. The surrounding grounds offer exceptional privacy and a strong sense of space.

The property features double glazing, centralised air conditioning and pre-installation for central heating. It has its own well, mains electricity and a renewed certificate of habitability.

An ideal country residence for those looking for privacy, generous accommodation and extensive outdoor spaces, while remaining within easy reach of Palma.
