Details:

Just a short distance from the sea, this beautifully maintained semi-detached home in Son Veri Nou offers a rare combination of privacy, generous outdoor space and relaxed Mediterranean living.

Occupying a privileged corner position within a well-kept residential community, the property feels much like an independent house thanks to its private outdoor areas and only one adjoining neighbour.

The approx. 153 m² of constructed space is distributed over two comfortable living levels. The ground floor features a bright living and dining area, kitchen and guest WC. The living space opens directly onto the terrace and the approx. 158 m² garden for exclusive use, creating a wonderful setting for outdoor dining and relaxation.

Upstairs are three bedrooms (two double bedrooms and one small single bedroom) and two bathrooms, including an en-suite bathroom. One level above, the approx. 28 m² private roof terrace is a particular highlight, offering attractive views across Son Veri Nou towards the Bay of Palma – the perfect place to enjoy the Mallorcan sunshine or unwind at the end of the day.

The property is presented in very good condition and is sold furnished. Air conditioning, partially renewed kitchen appliances and two assigned outdoor parking spaces complete the offer.

A charming bathing cove, restaurants and everyday shopping are all close by. The nearby cycle path leads towards Playa de Palma and the German School in El Arenal.

An appealing opportunity for buyers looking to combine the privacy of a house with proximity to the sea and excellent everyday infrastructure.
