Details:

Welcome to your new villa, which perfectly combines modern comfort, thoughtful architecture, and the Mediterranean quality of life. This exclusive home, situated on a 247.79 sqm private lot, captivates with its spacious layout and high-end amenities that leave nothing to be desired.

As soon as you step onto the ground floor, you're greeted by a light-filled, open-concept living and dining area that flows seamlessly into an elegant, high-end open-concept kitchen, the ideal place for social evenings with family and friends. From here, you have direct access to the inviting covered terrace and your private garden, which is perfect for relaxing outdoors. A spacious bedroom with a luxurious en suite bathroom completes this level and offers ideal comfort for guests or barrier-free living.

The upper floor is designed entirely as a private retreat. Here, you'll find 2 additional bedrooms, each with its own en-suite bathroom, guaranteeing absolute privacy. Both rooms also offer direct access to a balcony where you can start your day.

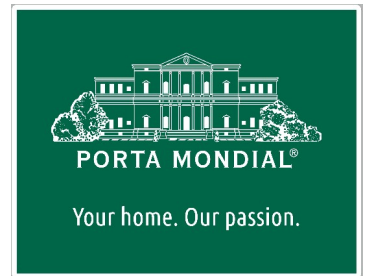

The absolute highlight of the home awaits you even higher up: an elegant spiral staircase leads to the spectacular rooftop terrace. From here, you can enjoy an unparalleled, sweeping panoramic view that, on clear days, extends all the way to the picturesque island of Cabrera, the perfect spot for unforgettable sunsets.

The property also impresses across the board in terms of technology. A state-of-the-art air-source heat pump ensures a perfect, comfortable climate year-round via the underfloor heating and integrated air conditioning. A separately accessible utility room keeps the home's systems discreetly in the background. This attractive property offering is rounded out by access to a well-maintained communal pool, which provides a welcome way to cool off on hot days.

A thoughtfully designed home that combines luxury and comfort.
