Details:

This unbelievably lovely house, which was originally a cowshed, has a restaurant with a valid licence and is situated in the quiet urbanisation of Cales Coves. It is only 15 minutes by foot via a small, traffic-free path, from the beautiful bathing coves of Cala de Cales, 5 minutes by car from the beach of Cala en Porter, and 10 minutes from the airport.

It has only one level and could be converted into a spacious house for a large family. There is also the possibility to add a 300 sqm outbuilding and turn it into a bed & breakfast business.

Surrounded by dry-stone walls and Menorca's wild landscape the extensive pool area in its tranquil location is a real gem.

On the outside area there is a very large car park for up to 20 cars, an enclosed garage, 2 covered terraces and a 19 metre-long pool with large terrace. The outside area could also be converted into a very beautiful garden.

Inside the building with an area of around 100 sqm there is a spacious bar and a vary large living/dining area with fireplace, ideal for long winter nights.

The fully-equipped kitchen with central cooking island creates the transition to the sleeping area with 4 bedrooms and 2 bathrooms. There are also 2 separate WC's and a cold-storage room.

Water is supplied from a well in the urbanisation. The house can be easily heated by means of a pellet-oven due to its traditional, thick walls and it would be possible to extend the living space by 300 sqm.

This property offers a unique opportunity to open a business in a very quiet area, or to be simply a domicile for a large family. It is exclusively offered for sale by Porta Mondial.
