Details:

This sublime house is located in Cala Partió, near Cala Llonga, on the shore of the harbor opposite the town of Mahón. It represents high class in its simplest beauty.

The location, the furnishings, the views, the many terraces, the high-quality equipment of the house, the orientation and the pool make this house a place of tranquillity, regardless of the season and the time of day or night. This sparsely built residential area is a privileged place by the harbor and especially in the evening and at night with incredible views.

Without much development around it, the plot is well planted and still offers a 360° view. The sea and the small cala are only 1 min walk away, as well as 5 min by car from the town of Mahón and 5 min from the beautiful beach of Sa Mesquida.

A large, closed garage offers space for a car and other equipment and is easily accessible.

The property is distributed over two levels. The main floor consists of a large living area with sea views from all sides, the relaxation rooms, one with a fireplace and side table, the dining area, a large, high-quality equipped kitchen with utility room, a terrace and a south-facing pool as well as a double bedroom with en-suite bathroom and terrace and a smaller bedroom with bathroom. On the upper floor there are 2 bedrooms with private access from the outside and en suite bathrooms as well as a large rooftop-style sun terrace that proudly overlooks the bay of Mahón harbor. Alarm system and cameras, oil central heating, ceiling fans, exterior blinds, aluminum carpentry, this house is a guaranteed investment to live there all year round or for occasional stays. On request, you will receive information on the possibility of accommodating an electric car and boats, one of them with mooring.

Cala Longa is located only approx. 10 minutes by car from the centre of Mahon, and is very close to the beaches of Es Grau and Cala Mesquida.
