Details:

This pretty seaside property with garden and sea view is located on the southeast coast of Menorca, in the seaside resort of Punta Prima. A beach renowned for its fine sand and colorful water.

Serenity and tranquility are the hallmarks of this living space, thanks to its top-quality interior and exterior fittings.

It is currently part of a large plot of two separate detached houses belonging to the same owner (see our reference 100568), and the other, larger house with sea view and swimming pool, is also for sale separately.

The two plots are registered with the Land Registry separately, and every effort will be made to review the privacy of the houses in the event of separate sales.

The property is set on a 528 sqm plot with a beautifully landscaped garden of typical island plantings that is very well maintained.

Built in 1977, it has been renovated and redecorated.

It's the perfect place to live all year round or for vacations, with its proximity to the beach, shops and numerous restaurants.

The house offers all the comforts you'd expect from a high-end property, both in terms of equipment and furnishings.

The house features a living room, dining room, fully equipped kitchen, three bedrooms and a bathroom.

A wonderful opportunity and a haven of peace that we invite you to come and discover with us, in person or by video, with visits by appointment.
